Dear Friends:

On behalf of the Armed Services YMCA Camp Pendleton Board of Management, staff, and those we serve, thank you for your generous grant of \$50,000 received on May 12, 2021.

Your support will enable us to continue providing programs and services to 32,500 Marines, Sailors, and their families annually. Because of you, children will receive the emotional and social support they need to grow and thrive. Because of you, moms and dads will be able to serve our country because they are receiving quality and affordable childcare for their children. Because of you, military families will be more equip to face any challenges that may come their way.

We couldn't do any of this work without you! Thank you for strengthening military families.

Sincerely,

Samantha Holt
